A FRIENDLY HOME FROM HOME

At Buchanan Lodge, we want our residents to be happy, safe and secure and enjoy each day in an active and friendly environment. To support this, our passionate team pride themselves in providing the highest quality of care and all of our staff are fully qualified and pro-active in their approach.

OUR CARE

The well-being of our residents is our top priority. Each resident has their own individual care plan, which is regularly assessed and outlines their health and care needs. We actively encourage independence and the highest quality of life for every resident.

OUR FACILITIES

Our beautiful bedrooms are complimented by a selection of cosy and quiet indoor communal lounges, as well as charming landscaped gardens.

We also have an independent professional hairdresser who regularly attends our hair salon. This allows us to offer some much-needed
